

### E-Statement Maintenance Form

- I am adding additional accounts to my existing E-statements login
- I am changing my e-mail address for E-statements.

Name: \_\_\_\_\_ Current E-statement user name: \_\_\_\_\_

Account number(s) I would like added to my E-statement login:

Account #	Account type	Account #	Account type
_____	_____	_____	_____
_____	_____	_____	_____

E-mail Address **(Required)**: \_\_\_\_\_

I understand that in receiving an E-statement, I will no longer receive a statement through the mail. I further understand, in order to ensure that I continue to receive timely E-mail notifications; I must notify the bank in writing if my E-mail address changes.

I further agree to receive periodic account notice and disclosure information in an electronic format. AHB will provide this information in a clear manner that can be printed and/or stored. At any time I have a right to obtain a paper copy of any of the above-described E-Notice /Disclosures or E- Statements. To obtain a paper copy, I must make a specific request to AHB either in person, by phone, or by mail. Research fees specified in the bank's schedule of fees may apply.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

Once the bank receives a signed authorization to begin E-statements, paper statements will stop and E-statements will begin. Please note: this change is a process and may take a few days to complete. If we receive your authorization close to the time your next statement is due to be mailed, you may receive one more paper statement before changing over to E-statements.
